Concert Date: August 18, 2018

Dear Friend,

As you may know Livin' Out Loud – Nebraska has over the years become one of Nebraska's premier Christian concerts. Held every year the 3rd weekend of August LOL is not only an amazing ministry but an amazing thing for our communities here in central Nebraska. We have over the years had visitors from states as far as New York and Arizona visit and stay in our small towns. Our crowds have averaged 10 to 15,000 and with the all-star line-up coming to town this year we are expecting to hold or even exceed those numbers.

If you have been a supporter in the past then we profoundly thank you. The cost of this concert in order to keep it free to all who need it is close to \$100,000.00 and somehow the lord has blessed us with the donations and community support we have needed to keep this going. The result is we are hosting some of 2018's largest Christian artists including 2018 Grammy winner Zach Williams as well as Colton Dixon, Britt Nicole and Matthew West.

I write today asking your support. We are looking for 100 people who have been blessed and would love to help LOL not only to continue here in our area but to also help us look at franchising this event to other markets in the future. We are asking for people to commit to raising or donating \$1,000.00 to go toward LOL this year. Each of our team members have committed to this pledge in addition to our normal church tithes and are asking others to do the same.

We also have numerous event sponsor levels available please reach out to sponsor@livinoutloud.org for more information!

Thank You and God Bless You,

Livin' Out Loud Committee 2018
