Livin Out Loud – Nebraska 2022 Sponsorship Program

Help us make 2022 Livin' Out Loud be our best year yet! Your financial contribution helps our event grow every year and keeps this event completely FREE to people in our surrounding communities.

Our event averages over 10,000 attendees every year and this year all our artists have spent time in the top 40 Christian charts. And had more than 15,000 folks to come to town last year. What is amazing about Livin' Out Loud is that the event is fully funded with donations and Sponsors!

We would like your business to consider being a part of our family here at LOL and help us by advertising with us.
